The more we know about your organisation and its needs, the more equipped we will be to make an appropriate student match for placement. Our students come from a variety of backgrounds and have different levels of experience but we always do our best to find the right fit. If you have multiple placement opportunities please outline them separately within this form.

Please note, we cannot guarantee a placement student will be allocated to your organisation. If a student is allocated we will contact you with the details of placement.

DESCRIPTION OF CHURCH/ORGANISATION/PLACEMENT PROVIDER'S WORK

AWM-Pioneers is a mission agency with a focus on church planting in the Arab world (North Africa and the Middle East) and amongst diaspora communities of people from those regions. We are part of Pioneers, an international mission agency which sends people from across the world.

DESCRIPTION OF POSSIBLE PLACEMENT ROLE(S) AND ANY PARTICULAR ATTRIBUTES SOUGHT IN A PLACEMENT STUDENT

Cross-cultural mission work is particularly well suited to an intensive placement of a few weeks. This could involve joining a church planting team for that time, supporting them in their work and gaining experience in an overseas or UK cross-cultural setting.

We have work in London with Arabs that could provide opportunities for ongoing placements.

We would also love to explore possible opportunities to help support the UK office in our work of sending and supporting workers.

We'd be looking for a placement student to have a heart for global mission and a desire to serve.

LOCATION AND TRANSPORT OPTIONS:

The office is based in Loughborough. Mission placements may be across the UK, mainland Europe, North Africa or the Middle East.
