The more we know about your organisation and its needs, the more equipped we will be to make an appropriate student match for placement. Our students come from a variety of backgrounds and have different levels of experience but we always do our best to find the right fit. If you have multiple placement opportunities please outline them separately within this form.

Please note, we cannot guarantee a placement student will be allocated to your organisation. If a student is allocated we will contact you with the details of placement.

DESCRIPTION OF CHURCH/ORGANISATION/PLACEMENT PROVIDER'S WORK

Latin Link is an international community made up of members from across Latin America, Britain and Ireland, and across Europe. Our main work is sending and receiving missionaries to and from Latin America, and we have over 150 years of experience in doing this. Latin Link's main areas of focus are to decrease Bible poverty, mobilise the church in Latin America to get involved in mission, and increase human dignity.

DESCRIPTION OF POSSIBLE PLACEMENT ROLE(S) AND ANY PARTICULAR ATTRIBUTES SOUGHT IN A PLACEMENT STUDENT

Latin Link can offer short-term missions placements, either on an individual basis or as part of a team. Stride is the individual placement, which runs for 5-7 weeks. This placement can be varied, but is always linked to a local church in Latin America. Examples of placement projects could be teaching in schools, children's work, prison ministries etc. A reasonable level of Spanish/Portuguese (GCSE or higher) is

required for this placement.

The other opportunity Latin Link can offer to Bible college students is a Summer Step team. These teams run for 3-4 weeks in the Summer and are completed as part of a team. Projects on these teams can involve construction, running children/youth camps, teaching in schools etc. No level of Spanish is required, though it will naturally help to have a level of Spanish/Portuguese.
