**DESCRIPTION OF CHURCH/ORGANISATION'S MISSION AND POSSIBLE PLACEMENT
ROLE:**

The house of Bread Church is located in Bethlehem, Palestine. Our mission is to win souls for Jesus Christ and strengthen the body of Jesus Christ in Bethlehem and elsewhere. As we labor in God's Kingdom, we are reminded by the Apostle Paul's mission, "So we tell others about Christ, warning everyone and teaching everyone with all the wisdom God has given us. We want to present them to God, perfect in their relationship to Christ." (Colossians 1:28). We are blessed continually as we see God preparing the hearts of the people for more of Him. We pray for the unity of the body of Christ, signs, wonders, and miracles.

The House of Bread church in Bethlehem welcomes volunteers who are willing to help the local Christian community. We are looking for mature and committed servants to help us out on in the ministry. We welcome volunteers to take part in the following activities:

Teach and look after Sunday School children twice a week.

Help set and lead youth and young adult meetings.

Be a part of a team that visits, encourages and prays with people in the local community.

Do some gardening work and work in the field.

Help with some housekeeping chores; e.g. do laundry, vacuum cleaning, washing ... etc.

DESCRIPTION OF CHURCH/ORGANISATION'S MISSION AND POSSIBLE PLACEMENT ROLE:

Come and explore the possibility that God could be calling you to work cross-culturally in East Asia with OMF or alternatively learn from another culture in order to inform your future ministry in the UK. Here are four short-term trips that you could join in the summer of 2021, all of which could count as cross-cultural ministry placement from your Bible College. If they are not what you are looking for, you can find many other opportunities.

COVID-19 statement

You are no doubt well aware of the affects that COVID-19 is having on our lives and the world. We would love to be sending people to East Asia on Serve Asia placements and it is our belief God still wants people to go. We are planning for these opportunities as Bible College placements in 2021. However, as you may appreciate these plans have to held lightly as none of us can know how the COVID-19 pandemic will affect the UK or East Asian countries in the coming year. These placements may have to be postponed or cancelled depending on how things develop. If you would like to consider the to the possibility of a Serve Asia placement in East Asia or with East Asia diaspora in the UK, with the understanding that things may have to change due to covid-19 please get in contact with us, we will be happy to journey with you.

You may be familiar with the proverb “Until you walk a mile in another man’s moccasins you can’t imagine the smell.” Come to Indonesia and you will not only smell but also taste, feel, hear and see what the rich culture of these people is about. Come on a short-term trip to learn about the people we serve. Build relationships with them and have meaningful conversations that have eternal impact. You will find many young people who are willing to interact with you. You may also have the opportunity to stay with local families. These opportunities are for people who are keen to explore ministry in this country or similar countries in the region.

East Asians in the UK

This opportunity is focused on working with East Asian Diaspora communities in the UK. It maybe suited to those who would like cross-cultural ministry experience but are not able to travel overseas at this time. Many East Asians now live, work and study in the UK. Some are here for a few years, such as students and business people, while others have relocated to the UK on a permanent basis. Being outside of their culture often exposes them to Christianity for the first time and also allows them more space to explore faith in Jesus without the societal pressures in East Asia. Come and be part of ministries that are trying to reach East Asians in the UK. We will provide worldview training to help you understand the East Asian mind-set. Currently details of the locations of these placements and costs are still in the planning stage. At present we have options in Belfast and Manchester, which can be both in person and virtual. We are planning other options around the UK.

Thai kids, playing matches against local teams, teaching English at schools, partnering with local churches, and sharing the Gospel. A further week will be spent working alongside OMF workers in the same local area of Thailand, giving you wider exposure to ministry in this context. This opportunity will give you exposure to life and culture in Thailand and an understanding of the Buddhist world view.

DESCRIPTION OF CHURCH/ORGANISATION'S MISSION AND POSSIBLE PLACEMENT ROLE:

WEC International takes the good news to the peoples and nations who have yet to hear it: the good news that Christ came to bring forgiveness of sins and peace with God, and to displace hatred with love.

Listening to, serving and walking alongside local people, we form disciples, expecting to see churches flourish in cultures where Christ is little known. This involves us in many diverse activities, as fits local needs, including youth work, teaching, medical work, music and the arts, Bible translation and literacy, work with addicts and children in crisis, business skills and helping local Christians share the gospel cross-culturally.

WEC is committed to finding new, creative and culturally relevant ways of doing mission.

We can offer short term mission placements to Bible college students. Here is an example of what you might be able to do:

Evangelist among pilgrims – Spain (Duration 2 - 4 weeks, between April & October)

Over 300,000 pilgrims walk the Camino (The Way) for about 2 weeks each year through Santiago de Compostela, claimed to be the burial site of St James. The vast majority walk it from April-October which is an ideal time to come and walk alongside them, sharing the gospel.

This is an opportunity to work alongside various types of mission work: teaching English, student work, working with children and prayer walking.

After an orientation and initial training, walk 'The Way' for several days or weeks while evangelising, and then share and be debriefed, and investigate further opportunities to serve here.

LOCATION AND TRANSPORT OPTIONS:

This opportunity is based in Santiago Spain. Flights and other travel costs are not included and need to be booked by the individual.
