The more we know about your organisation and its needs, the more equipped we will be to make an appropriate student match for placement. Our students come from a variety of backgrounds and have different levels of experience but we always do our best to find the right fit. If you have multiple placement opportunities please outline them separately within this form.

Please note, we cannot guarantee a placement student will be allocated to your organisation. If a student is allocated we will contact you with the details of placement.

DESCRIPTION OF CHURCH/ORGANISATION/PLACEMENT PROVIDER'S WORK

Pioneers is a mission agency with a focus on unreached people groups around the world. We have over 3000 missionaries serving in teams in over 100 countries. The teams are focused on relational evangelism and church planting, through a huge variety of ministries, including media outreach, refugee ministry, business as mission, medical work, sports coaching, English teaching, charitable work and much more.

DESCRIPTION OF POSSIBLE PLACEMENT ROLE(S) AND ANY PARTICULAR ATTRIBUTES SOUGHT IN A PLACEMENT STUDENT

Rather than recruiting for specific roles, we are passionate about enabling people to use their unique gifts, skills and careers in cross-cultural mission. Placements are customised around the availability, calling and skills of the applicant. Possibilities include work with nomadic people groups in North Africa, Bible

translation in Southeast Asia, work with asylum seekers in Europe, children's ministry in South America, and much more. Placements are perfect for anyone exploring a sense of calling to cross-cultural mission.
