The more we know about your organisation and its needs, the more equipped we will be to make an appropriate student match for placement. Our students come from a variety of church backgrounds and have different levels of experience but we always do our best to find the right fit. If you have multiple placement opportunities (ie. youth and worship) please outline the positions separately.

Please note, we cannot guarantee a placement student will be allocated to your organisation. If a student is allocated we will contact you with the details of placement.
