**DESCRIPTION OF PLACEMENT ORGANISATION AND PROPOSED ROLE:**

UFM Worldwide supports churches in making disciples of all nations. It has 200+ long-term mission partners and, at any one-time, around 50 short-term mission partners. Short-term is any length (from 1 week) up to 2 years and includes Bible College placements. UFM has mission partners in about 50 different countries.

UFM offers very flexible/tailor-made placements in cross-cultural settings.

UFM also has a bursary scheme to help students with placements. This might be typically up to £250 for Europe placements and up to £500 for the rest of the world.

Essentially, UFM is very flexible and can offer a diversity of ministry opportunity and location. We can sit down and chat with any student about what might work for them,

**LOCATION:**

In theory, anywhere!  
Some of our mission partners are very used to receiving people on a short term basis - but where someone has a heart burden for a particular ministry or place, we will seek to find a suitable placement.
