If you have multiple placement opportunities please outline them separately within this form.

Please note, we cannot guarantee a placement student will be allocated to your organisation. If a student is allocated we will contact you with the details of placement.

DESCRIPTION OF CHURCH/ORGANISATION/PLACEMENT PROVIDER'S WORK

The Programs of UrbanPromise are structured to build life-changing relationships. Sharing life in Christ transforms a large diverse, and growing corps of volunteers, organizations, businesses, schools, neighbors, and families. Our programs address:

Promise Lost:

At birth, all children have great promise. For a majority of urban youth, their potential goes unrealized. This majority follow a much more negative path than their suburban peers. They are incarcerated at much higher rates. They seriously underperform on state tests and more than half fail to achieve a full high school education. In our neighborhoods less than 10% enter college and fewer still complete it.

Promise Found:

To change the reality, children need a new vision and the tools to achieve it. Through sustained, loving relationships, UrbanPromise helps rebuild the future of these kids with life-changing impact.
