INTERNSHIP | INDONESIA

Team H - TISC is seeking Indonesians and non-Indonesians who desire to become part of a movement catalyst team in an Unreached People Group or megacity. We are looking for leaders and followers. We are looking for field leaders, apostles, prophets and evangelists. As we work in teams, we can consider single people, couples, and families in some locations. The Indonesia Sending Centre exists to mobilise, recruit, train, send, and serve movement catalysts (church planters for the uninitiated) to Indonesia's 230 UPG and 10 megacities.

COMMUNITY OUTREACH WORKERS | CAPETOWN

This is an opportunity to work with an experienced team reaching out to Cape Malay Muslims in Cape Town. Our Mission Partners are seeking people to join their team and to share their heart and vision for Muslims. This will suit like-minded people who consider prayer as the foundation to ministry. Ideally, you'll be adventurous and willing to share your skills and expertise in an outreach setting. This is an opportunity to build friendships and to share the gospel with individuals. The focus for you will depend on the skills you bring to the role.

SERVE AS A DOULA IN SOUTHEAST ASIA

Come and serve among the Rohingya refugees by helping mothers in difficult circumstances give birth safely. This is an opportunity to show God's love in a very practical way.

For more information contact jon.h@world-outreach.com

BIRTHING PARTNER | MALAYSIA

Breathe Life is seeking to recruit people with a passion and heart for persecuted refugees. As a team member of Breathe Life, you'll be supporting Rohingya mothers through providing birth classes, assistance during labour, post-natal follow-up and ongoing support. This work provides unprecedented access and opportunity to build relationships and trust, as we spend time in their homes during the many hours of labour and postnatal visits.

Join a team in Pakistan

Doing Kingdom business and planting churches

MINISTRY WORKER - BUSINESS AS MISSION | PAKISTAN

The Tribal Outreach and Poverty Elimination Program is seeking to recruit workers to join their work in Pakistan. You can be based in Lahore or Islamabad and travel to the field from your home base in either Islamabad or Lahore.

The Tribal Outreach and Poverty Elimination Program works with different tribes including Afghan refugees and Hindus in the Sindh area. We also work to help persecuted Christians.

This role focuses on training and business programs for poor and disadvantaged people to help them make a sustainable living through small business. Your experience in business will be greatly valued.
