The more we know about your organisation and its needs, the more equipped we will be to make an appropriate student match for placement. Our students come from a variety of backgrounds and have different levels of experience but we always do our best to find the right fit. If you have multiple placement opportunities please outline them separately within this form.

Please note, we cannot guarantee a placement student will be allocated to your organisation. If a student is allocated we will contact you with the details of placement.

DESCRIPTION OF CHURCH/ORGANISATION/PLACEMENT PROVIDER'S WORK

Cambridge International Outreach (CIO) is a summer outreach programme run by teams of Christians, who reach out to international students in Cambridge. Teams are made up of 10-20 people from all over the world and last for two weeks. CIO aims to both evangelise internationals through word and deed, and to disciple Christian team members in a cross-cultural ministry context for the glory of God in the nations through dependence on God in prayer.

From Monday - Thursday, the team members will be receiving training in cross-cultural mission and hearing from God's word in the mornings and then going out to meet students in the afternoon. This will be through sports ministry, flyering, English corner and other activities designed to meet and engage internationals in the city. The evenings are spent running an international cafe for students where we welcome, befriend and seek to evangelism to students. The evangelism is mainly through conversation and invitation to an evangelistic bible study in the evening. Fridays are a day off for rest, and then Saturdays will be spent taking students out for trips in and around Cambridge. On Sundays, the team will

partner with local churches to host a guest service at church which is open and accessible to internationals whose language level is low and who come from different religious backgrounds.

DESCRIPTION OF POSSIBLE PLACEMENT ROLE(S) AND ANY PARTICULAR ATTRIBUTES SOUGHT IN A PLACEMENT STUDENT

Two week placements (or multiple) during the summer, serving, learning and praying with a team of about 30 Christians from different cultures to reach out to and befriend international students from many different countries. The team needs people with all sorts of different gifts and abilities - practical, relational as well as spiritual. A great chance to put into practice cross-cultural skills and see how God uses you to share the gospel with people from different backgrounds. Teams start on 9th July, 23rd July and 6th August.
