DESCRIPTION OF CHURCH/ORGANISATION'S MISSION AND POSSIBLE PLACEMENT ROLE:

London has many needs. People disagree on what it needs most: more schools and hospitals; less traffic, and improved air quality; more police, and less crime; more affordable housing, and less of a gap between rich and poor. There's wisdom in all of this, but at London City Mission we believe that, most importantly, London needs Jesus. That's why we got started in the beginning, and it remains our firm conviction today.

London City Mission is primarily a gospel organisation. We have been and always should be focused on sharing the good news of Jesus Christ with people in London. Our calling has always been to the least reached of London, and we need to make sure that our work is focused on those who are in the hardest to reach communities of this city. Our ministry must serve God's church in London, and our activities need to aim for partnership and collaboration in evangelism and discipleship. Our prayer is that we will see an increasing number of Christians in London engaging in gospel work!

We work with people from all types of social, economic, cultural and national backgrounds - council estate communities, Muslim communities, street population, and people who've been marginalised from mainstream society. We befriend and share our lives with them, but most of all, we're passionate about sharing the gospel with them. We have over 50 different ministry locations across London, each focusing on the local community. We can make a bespoke plan for you based on who you'd like to work with and where. We offer placements to suit your college schedule and situation, whether it be a day, a week, a month, a year or more!
