The more we know about your organisation and its needs, the more equipped we will be to make an appropriate student match for placement. Our students come from a variety of backgrounds and have different levels of experience but we always do our best to find the right fit. If you have multiple placement opportunities please outline them separately within this form.

Please note, we cannot guarantee a placement student will be allocated to your organisation. If a student is allocated we will contact you with the details of placement.

DESCRIPTION OF CHURCH/ORGANISATION/PLACEMENT PROVIDER'S WORK

At KICK, we are motivated to respond to a sense of hopelessness in many young people today as 1/3 of young people aged 15 identify with a mental health condition, 2million grow up without a father at home, many are disconnected from local communities with 95% now not attending church. We aspire to see a generation of young people who will reach their God given potential; where communities have been socially impacted; and where spiritual change has transformed a nation. Our mission is to transform young people's lives, with God's love, through sport and support. We do this through values-driven physical education, street dance, mentoring, chaplaincy in schools and community KICK Academies to impact a sense of hopelessness and give them a hope for the future and a joy in the present.
