DESCRIPTION OF CHURCH/ORGANISATION'S MISSION AND POSSIBLE PLACEMENT ROLE:

KICK's mission is to transform young people's lives, with God's love, through sport and support. KICK's vision is to see a generation of young people reach their God given potential; where communities have been socially impacted; and where spiritual change has transformed a nation. KICK do this through values-driven physical education, street dance, mentoring, chaplaincy in schools and church-based KICK Academies to impact young people. KICK has grown rapidly to engage over 12,000 young people a week across 77 schools and 24 church-based KICK Academies. KICK are committed to seeing young people experience a hope for the future and joy in the present.

Placement roles would be as sport or dance coaches at KICK working in schools and/or with church-based KICK Academies to deliver sports ministry. We have a well organised placement programme which has taken LST students as well as a range of other Bible College students, a number of whom have come onto work with KICK permanently post-graduation.

DESCRIPTION OF CHURCH/ORGANISATION'S MISSION AND POSSIBLE PLACEMENT ROLE:

Resurgo is a social transformation charity, seeking to connect, envision, train and support people to 'transform society together' through high impact and scalable enterprises.

Resurgo works with businesses, charities, churches and individuals to cultivate change. We're a Christian organisation working with all, irrespective of faith, to achieve our shared vision that if we each step up to play our part, society can be transformed and will flourish.

In partnership with various churches we are recruiting for Graduate Coaches to join our Spear teams. This is an amazing opportunity to join our experienced and passionate team of coaches who each work as part of a local church in a number of locations to deliver the Spear Programme, equipping and empowering unemployed 16 – 24 year olds to overcome disadvantage and turn their lives around by moving into sustainable work or further education. This is a paid, dynamic, one year opportunity to develop coaching and leadership skills whilst bringing about social transformation in the local community as a powerful expression of the Christian life and faith.

We offer a one-year fixed term contract with potential for renewal and excellent progression opportunities.

we aim to give all Graduate coaches the skills and training to progress to manage one of our Spear centres, within 3 years.

What will you gain?

- Christian Leadership Skills through continual feedback, vulnerability, and challenge, and have

opportunities to practise these skills in regular staff prayer meetings for both Resurgo and the church, as well as in Spear team meetings and events.

- Social Impact Awareness – you'll gain a working understanding of the issues affecting your church's community, work with the church to tailor Spear accordingly and understand effective and meaningful ways of measuring this impact.

- Excellent coaching capability, through the iLM accredited 5-day 'Coaching for Leadership' programme or our extended bespoke version for all Graduate coaches, the 2 week Coaching Academy. You'll continue to develop your coaching skills while delivering the Spear programme through intensive on-the-job support and weekly 1-1 mentoring.

- Management skills, so that you have the skills and confidence needed to become a Lead Coach within a year, and then a Spear Centre Manager within 3 years, with responsibility for Centre staff, young people and outcomes.

LOCATION AND TRANSPORT OPTIONS:

Our HO is in Hammersmith and we have 8 Spear centres across London, as well as in Leeds, Brighton and Bournemouth. All are accessible via public transport.
