### DESCRIPTION OF POSSIBLE PLACEMENT ROLE(S) AND ANY PARTICULAR ATTRIBUTES SOUGHT IN A PLACEMENT STUDENT

Research assistantship. My publications and ongoing research interests are mainly in the area of evangelical, charismatic and Pentecostal history, theology and ethics. This proposed student placement would be ideal for someone considering postgraduate research work in this field, who is both keen to engage in practical tasks related to such research, and to be mentored by an experienced senior academic who has worked in Higher Education generally, and theological education particularly, for around 30 years. Accuracy and good organisation in study and administration would be essential, as well as a passion for scholarship and an affinity for the study of evangelical sources in particular.
