**DESCRIPTION OF CHURCH/ORGANISATION/PLACEMENT PROVIDER'S WORK**

GOLD Project is part of a global movement of church-based theological education, equipping all God's people for discipleship, mission and ministry in the local context. We use the tried and tested method of personal study, group discussion and practical application, enabling people to grow in confidence and knowledge of God. Our focus is on biblical literacy and so our straplines are "Discover the Treasure", "Encounter God" and "Be shaped by the Message".

Our courses are accessible and interactive, enabling people to engage with the Bible for themselves. Starting with entry level courses for new believers, we have created pathways for ongoing learning up to level 3, giving people an opportunity to study at a level that is not often possible in the local church.

**DESCRIPTION OF POSSIBLE PLACEMENT ROLE(S) AND ANY PARTICULAR ATTRIBUTES**

## **SOUGHT IN A PLACEMENT STUDENT**

We have placement and voluntary opportunities for people to engage with our local and online groups or set up groups in their own context. These will enable you to learn how to equip others as disciples in the local church. We may also have opportunities for people to help us in the areas of admin, church engagement and course editing. We can also link people in with the world-wide church-based discipleship movement where we could explore long-term opportunities with you.

## **LOCATION AND TRANSPORT OPTIONS:**

Most of our work is remote, but we have local in-person study groups in the Enfield/St Albans area which would need people to have their own transport to attend.
