

LEE ABBEY LONDON

Are you motivated to serve others, and feel called to work and live in a Christian community?

We're a Christian-run student accommodation provider with a vision to reach out to our residents with the Gospel.

We're looking for people who are motivated to serve others, and feel called to live, work and worship in community.

Each team member serves in our housekeeping, reception or maintenance teams. These roles provide opportunities to grow and share your story of faith through discipleship training, practical ministry and hospitality service.
