Our students come from a variety of backgrounds and have different levels of experience but we always do our best to find the right fit. If you have multiple placement opportunities please outline them separately within this form.

Please note, we cannot guarantee a placement student will be allocated to your organisation. If a student is allocated we will contact you with the details of placement.

**DESCRIPTION OF CHURCH/ORGANISATION'S WORK**

Wycliffe' vision is a world where everyone can know Jesus through the Bible. To that end we serve local partners worldwide as they bring God's word to their communities in the language which speaks to them best.

**DESCRIPTION OF POSSIBLE PLACEMENT ROLE(S) AND ANY PARTICULAR ATTRIBUTES SOUGHT IN A PLACEMENT STUDENT**

At present we have occasional placements available with our UK staff team. Placements are generally possible late December / January (before and after Christmas and New Year), and in July. Placements involve a variety of tasks across the staff team departments, and will be tailored to suit the specific placement. A summer placement will also involve participation in our summer event for students, Experience - see <https://www.wycliffe.org.uk/get-involved/events/experience/> for more details. All placements will require substantial work from home, so students should be able to work independently and

without supervision (although they will be supported throughout).

**LOCATION AND TRANSPORT OPTIONS:**

Mainly home based, with some travel to the Oxford office. Summer placements will also involve travel to the Experience event in Chepstow. There are good public transport options to both.

**SUPERVISOR DETAILS (if different from main contact details)**

**NAME**

Not known at this stage - one will be assigned at the time.

**What we plan to do with your information**

From time to time, we will include relevant information about upcoming LST events and opportunities in our correspondence with our placement partners and more specifically, our supervisors. By ticking yes, you are confirming that you consent to LST contacting you by any of the usual channels (phone, email and post) for these reasons.

Thank you so much for taking the time to fill out this form.

The safety and welfare of our students is very important to us. For this reason, we would ask that all documentation be complete before the commencement of placement. Thank you so much for partnering with us.
